

THE DUGUAY TROUIN EXHIBIT HALL

Across from the Palais du Grand Large, the Duguay Trouin exhibit hall is a unique place to hold trade fairs, brand showcase events, and exhibits.

A space that can be converted from 700 to 2,400 m² with the possibility of a 7,000 m² extension, the Duguay Trouin exhibit hall can be adapted to the event you design.

It complements the Palais du Grand Large in terms of exhibit space, but can also accommodate large numbers of people for theme nights.
